Appln. No.: 10/814,737

Attorney Docket No.: 9827/10

REMARKS

The Office Action alleges that the pending claims are directed toward distinct inventions. Specifically, the Office Action alleges that claims 1-25 are drawn to a method of operating a radio station in a broadcast network classified in class 455 subclass 423, and that claims 26-44 are drawn to a highway advisory radio system classified in class 455 subclass 90.1.

The Applicant elects, with traverse, claims 26-44. The Applicant traverses this rejection because the subject matter may be efficiently searched together. Claims 1-25 are cancelled without prejudice.

CONCLUSION

The Applicant respectfully submits that all of the pending claims are in condition for allowance and a notice to this effect is respectfully requested. The Examiner is invited to call the undersigned if it would expedite the prosecution of this application.

Respectfully submitted,
